

Recycling Hiccup

This past month the Town's recycling service, which saves so much money for the Town, had some "hiccups."

A day after last month's newsletter had been mailed, a visitor from the County's recycling center, informed us that due to new demands, a new set of rules guide what is not and that which is acceptable at the recycling center. First he said that the recycling center was not going to accept recyclables in plastic bags of any size, any kind or color. That from now on, all recyclables must be provided to the recycling center loose or bagged in paper bags only. Secondly, that all curb, collected recycling products, whether in paper bags or from containers must be clean, not contaminated and free from anything that can make them un-marketable.

Basically speaking the recyclables that you are placing in the recycling container must be from the acceptable list, clean and marketable. The product which has the highest grade of marketability will have a buyer.

Currently the Town's crews are finding non recyclables in the containers by the curb. **Unacceptable Items such as:** Diapers, tissue paper, paper towels, plastic utensils, garden hoses of any kind, recycling barrels, plastic barrels, plastic toys, Styrofoam products, plastic grocery bags, soiled cardboard, pizza boxes with food or grease, auto parts, mirrors, window panes, motor oil plastic quarts, **unwashed** plastic containers, plastic utensils, containers that housed a hazardous material, needles, medical waste, bubble wrap, plastic wrap, light /fluorescent bulbs, packing foam or peanuts and others yet to be added to this list by the County are not recyclables.

To those of you whose recyclables were bagged and might have been left behind; our apologies - it is and was not the Town's choice.

So what is acceptable: Clean containers, milk and water jugs, narrow neck bottles, clean corrugated cardboard, clean aluminum pie plates, hard and soft covered books, clean margarine containers, bleach bottles, gift wrapping paper, telephone books, paper grocery bags, aluminum bottles and cans, cereal boxes, detergent bottles, craft paper, shredded paper, file folders, computer paper, office paper, envelopes, catalogs, clean yogurt containers, magazines, glossy inserts/junk mail, paper flyers, paper advertisements and newspapers.

As we move forward with the Town's recycling efforts the Mayor and Town Council are looking at solutions to meet the needs of the current situation. Consideration is being given to a larger wheeled container for those residents that have found that the current container does not meet their demands. Nonetheless, while changes do have challenges, together we can succeed and ensure that Cheverly does its part toward sustainability and less use of raw materials.

Call 301-773-0248 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on **Monday evenings** from 7:30 to 9:30 PM, except holidays or if otherwise posted.

Happy New Year Cheverly: Here's to another great year in 2015. I hope everyone's New Year's Resolution comes true.

Here's a resolution you should consider: Join a Cheverly Town Organization. It's a well known fact that people who join organizations tend to stay in Cheverly 2.5 times longer than those that don't. Okay, you caught me, I made that fact up! However, joining an organization is a great way to meet new neighbors and make an impact on your community. So check out the Year in Review and find an organization that meets your needs.

County Changes Recycling Policy: The County recently changed their recycling policy eliminating all plastic bags and thin plastics from the recycling stream. Therefore, Public Works requests that residents no longer place plastic bags in their recycling or use clear plastic bags as a container for recycling.

Public Works has already stopped taking recycling in opaque bags, and will not take recycling that is left in clear plastic bags.

Mayor Errs in December Newsletter: Mike isn't that exactly opposite of what you wrote in the December FYI? Yup, I was so wrong! Actually, when I wrote the article I was right, unfortunately the County changed its policy before the newsletter was delivered to your homes.

So here is the article again with changes in bold.

What Exactly Can I Put My Trash In? "Hey Mike, this is so confusing, when exactly can I use a plastic bag?" I agree, the rules have been changing and its hard to keep up. However, if you remember that each type of trash goes to a different trash facility it helps a little.

Normal Trash -- Can be placed in any type of container, clear or opaque bag.

Yard Waste -- Can be placed in any type of container, but not in any type of plastic bag.

Recycling -- Can be placed in any type of container, **but not in any type of plastic bag.**

Pilot Program for New Recycling Bins: In light of the recent County changes, the most common question I have received is "How can I keep my recycling from getting wet or blowing away?" Apparently, many residents no longer used their smaller recycling bins to get their recycling to the curb.

In response, Public Works recommended a Pilot Program to introduce new recycling bins to the community. They recommended the purchase of 300, 35 gallon bins that have lids and wheels. The Town Council approved the purchase at the December 11 Town Council Meeting.

The original purchase price was \$70.00, however due to a bulk discount the town is paying \$40.00 per container. The town is offering these containers for sale to residents for \$20.00. If you would like to pre-order a container, please call Public Works at (301) 773-2666. When the container arrives, it will be delivered to your home.

Cheverly Opposes Rail Yard at Landover Metro: In a four page letter co-authored by the Cheverly Planning Board, the Cheverly Green Infrastructure Committee and the Town Council, and approved by the Town Council at the December 11th Town Council Meeting, Cheverly opposed the development of a rail yard at the Landover Metro Station.

While Cheverly is extremely supportive of Metro, and it's expansion, it is very concerned about the impact of a rail yard at Landover and it's consequences to future development and the environment.

Of particular concern to town is the lack of a public process regarding the rail yard plan, and its direct contraction to planning documents recently developed by the Maryland Capital Park and Planning Commission's such as the Route 202 Corridor Plan, Sub-Region 4 Pan and the Prince George's 2035 Plan.

The full text of the letter can be found on the Cheverly website.

The Budget is Coming / What is an Enterprise Fund: I know you are getting very excited about the upcoming budget season. "*Pssst Mike, isn't that the time of year when you fill up the FYI with lots of numbers, that most of us don't read.*" Yup, that's what I'm talking about.

As you might recall, this year, FY15 marks the end of the well documented three year plan. That plan held the line on property taxes, town expenses, and capital expense.

The Council will devote a lot of thought to developing another three year plan that focuses on FY16 through FY18. The key element of this three year plan will be, “how to deal with increasing property assessments”? Cheverly residents will be receiving new property value assessment notices in January. In general every resident should see their property values increase, as property assessments are a reflection of the current real estate market.

If property assessments increase and tax rates remain static then resident annual property bills will increase. Therefore, the council will need to discuss how to handle any revenue that results from the additional taxes due to increased property values. Given that property tax revenue has been static for at least 5 years, some growth should be necessary. Please remember that overall taxes cannot increase by more than 10% per year because of the homestead provision.

In the past we have discussed the budget in terms of:

Operating Expenses: How much money is required to provide the same services that were provided the previous year.

Capital Expenses: These are expense that go to building necessary infrastructure; cars, trucks, computers, roads. While these expenses can be deferred, a certain amount has to be invested each year or the Town falls behind.

Fund Balance: We have always used the Fund Balance as a measure of the Town’s financial health. Over that last 5 to 7 years we have kept the fund balance above 1.7M, although this year it will dip below 1.5M as we focus on some overdue capital expenditures.

Part of the Fund Balance is a state mandated emergency fund of 25% of operating expenses, or approximately \$850,000. In other words, the Town Council could not pass a budget where the Fund Balance fell below approximately \$850,000.

Therefore, the difference between the existing fund balance and the state mandated emergency fund is the “available” fund balance. At the end of this fiscal year, that amount should be approximately \$550,000. This is a healthy fund balance that allows the Town Council to continue to fund standard future capital projects. However, this amount does not allow the council to react to potential opportunities when they arise.

The Council will consider building an Enterprise Fund over the next three years. In the past it has been my stated goal to maintain a \$2 million fund balance. This would give the Council the opportunity to adapt to potential opportunities that may arise. Given the portion devoted to the state mandated emergency fund, a \$2 million results in only \$1.150 million for both yearly projects and these opportunities.

What types of future opportunities are you talking about? Primarily, the purchase of real estate if the opportunity arises. In the past, the Town has not been in a position to purchase property that might make a great park, simply remain green, or had the potential to be a commercial venue. In each case the land has been purchased by others and the town’s opportunity to influence development has been limited. A prime example of this is the church under development near Route 202 and Bellevue Road. Another example might be the land next to Howard Johnson’s where the Pointe@Cheverly is scheduled for development. The Town will be facing a decision next year as to the future development of this property.

There will be more on this later, over the next three months.

American Legion Celebrates 80th Anniversary: The American Legion has long been a integral part of our Cheverly community. The relationship has grown stronger over the last ten years as the American Legion has opened its doors to assist and offered Cheverly residents opportunities to attend many community events.

On January 24th the American Legion will be hosting a Gala to celebrate their 80th Anniversary. It is my understanding that it will be a spectacular event. Please consider supporting the American Legion by attending the Gala, as the Legion has long supported our town.

They’re Back: Just when we thought our streets were safe from WSSC, they are back, and they will be working on Cheverly Ave. While the time lines are not yet clear WSSC will be coming to Town and working on the main water line along Cheverly Avenue.

As many of you know this will cause a certain level of disruption and inconvenience due to rough roads and traffic delays. Please be patient. The good news is that in the end we will receive a lot of assistance from WSSC when it comes to repaving Cheverly Ave, which is very expensive.

The Town has recently reached out to the County Department of Environment to request assistance in implementing Storm Water techniques when the road is repaved.

Year In Review 2014

What a Year!! 2014 Was a wonderful year here in Cheverly and once again we have everyone to Thank. Of course, Town Administrator , Public Works Director and Police Chief deserve special Thanks!

So once again, I'm going to take a chance and attempt to do a recap knowing that I will leave something out. Once again it was a great year to be a Cheverlian.

General Town Accomplishments:

The Town of Cheverly remains in excellent financial health. The Town ended FY14 with a 1.9M Fund Balance, and while FY15 is currently planned to have a 600K deficit to support some long overdue capital projects we will still have a 1.3M Fund Balance at the end of the year.

The Planning Board and Town Council participated in the completion of MNPCCP's Route 202 Corridor Plan that looks to improve the area east of Route 50 along Route 202 in the distant future.

After years of negotiations the National Park Service removed the three dilapidated homes on 58th Place, near the BW Parkway, and replanted the area with trees.

At long last WSSC completed their work in Old Ward 4 and Wards 1 and 2 and patient residents received brand new roads as well as improved water service.

Thanks to MNCPPC and the efforts of Molly Sinclair and CPRC, Cheverly has a wonderful new playground at Euclid Park.

The Town working with MNPCCP, agreed to a preliminary design of a Bike Path that will help folks get from Crest Ave to the Bladensburg Marina. Special thanks to the Cheverly Swim Club and and the D'Angelos for their assistance.

Thanks to the efforts of David Kneipp, Cheverly received the Sustainable Maryland Certification at the Maryland Municipal Fall Conference. David led the effort to document Cheverly's standards and practices that meet or exceed the program requirements resulting in more than the standard 150 points.

Public Works Accomplishments:

Yeah! The long awaited Refuse Vehicle was finally purchased and placed into commission. As a special bonus it's initial public viewing was at Truck Touch.

Public Works removed the home on the property next to Pinky's Park, beginning the expansion process of the Park.

With the collaboration of the Boys and Girls Club, refurbished the playing fields at Town Park, creating great new infields for residents use.

Purchased a new chipper machine to make the collection of thicker branches easier, and to create a new source of mulch for the town.

After 20 long years, we began repairs of the Yard Waste Recycling part of the Public Works yard .

Planted 112 Private Yard Trees and 32 Park and Street Trees. Thanks to every resident who participated in the Private Yard Program, especially the 84 residents who planted future canopy trees.

Planted three large trees at Cheese Park to jump start the effort to shade the play area.

Purchased new Recycling Containers for Public Parks in an effort to assist residents recycle when they are out of their homes.

Removed 39 former Street Tree stumps throughout town. Performed Sidewalk and Curb improvements throughout town.

Along with Cheverly residents, adapted the constantly changing trash container rules mandated by the cnty. Collected 61 appliances, 560 tons of recyclable materials, 25 pallets of electronics.

Collected over 1,400 tons of regular and bulky trash.

Delivered 116 truck loads of mulch.

As always, kept our town properties clean and beautiful.

Public Safety Accomplishments:

Crime is down by 8% this year, the third consecutive year that the crime rate has dropped. Crime continues at historically low levels, particularly violent crime.

Over 80% of reported crime is theft. The Public Safety Department continues to communicate the need to "lock your doors and windows".

Introduced a new nighttime phone number (301) 789-5090 that makes the Cheverly Police more accessible than ever. This number has already resulted in six arrests.

Four Cheverly police officers were recognized by the Police Chief's Association of the Police George's Cnty

- Sgt Jarod Towers: Patrol Officer of the Year
- Col Francis Webb: Community Services Officer of the Year
- Det: Young Hur: Investigator of the Year
- Antwoine Young: Civilian of the Year

Community Support of the Department's vehicle donation program has resulted in the purchase of: records management system, tasers, field sobriety equipment and station security.

New Records Management System allows officers to write reports in their car, receive lookouts and updates, receive house and area check information while on patrol, and improves the vehicle impound system.

The Cheverly Police are leaders in the procurement of body cameras, which has led to far fewer complaints and reduced civil and personal liability.

Hosted the Cheverly Day Basketball Tournament.

Supports the Police and Cheverly Citizen Together (CPACT) which is a vibrant organization the facilitates citizen communication.

Town Organizations and Individuals:

A cornerstone of our community, the Community Market, received from the Maryland Farmers Market Association for its implementation of the Maryland Market Money program that bundles SNAP, WIC and FMNP benefits for lower income individuals.

The Cheverly Parents Resource Center (CPRC) had another great year hosting, weekly playgroups, story times, picnics, and a Spring Break Calendar. Their members served 160 meals to Cheverly families with new babies, collected 3,500 diapers and diapering materials for area families, raised enough money for Spellman students in need for school supplies and raised enough money to give 40 Spellman families in need baskets of turkeys and fresh food for Thanksgiving!

The Cheverly Village Planning Committee, which formed in June, has engaged a wide range of Cheverly organizations and over 100 Cheverlians in an effort to determine how the community can assist seniors to remain living in their homes and actively engaged in the community.

The Friends of Lower Beaverdam Creek (FLBC) continue to engage our community with nature by working with other organizations to improve their trails. A new arch was added marking the trail head complete with art from Lorelei Maties.

Scouting is alive and well here in Cheverly. Our Scouts collect food, sing at the tree lighting, build trails, host the Haunted Trail, etc. However, more importantly our Scout Leaders train our youth to become responsible, compassionate, charitable and knowledgeable citizens and stewards of our environment upon which our community will someday depend.

The Cheverly Working Moms (CWM) hosted several education events for Cheverly families including nature and science events, playgroups, and development workshops for parents and teachers. This year CWM also started a sitter coop geared towards families with exceptionally crazy schedules

This year the Woman's Club celebrated its 95th anniversary. The Woman's Club successfully sponsored: Peace-Black History Celebration in February, Peace Month in May, Peace Camp in July and the Secret Santa Shop in December.

The Green Infrastructure sponsored, Invasive Weed clean-ups in Cheverly Nature Park, a Rain Barrel Workshop in September, as well as education efforts throughout the year.

The Sons of the American Legion celebrated their 60th Anniversary this year while supporting all of the activities sponsored by the American Legion

The Garden Club celebrated their 60th Anniversary and continued to provide Cheverly gardeners with hardy plants at their annual plant sale.

Free Little Libraries continue to thrive with more locations coming in the spring at Legion Park, Euclid Park and the Cheverly Station Apartments.

Cheverly Day was once again a big hit, highlighted by the ChevProm, new games and food vendors, and the best fireworks ever. Special Thanks to the many individuals and groups who built one of the greatest Mini Golf Courses in Maryland.

One final Shout Out to Pat Nelson and Gabe Horchler who were the 2014 Volunteers of the Year!

Did someone say Food? Thanks to the Legion, St Ambrose and the Methodist Church for providing so many opportunities to eat out. Pancakes, Spaghetti, Bratwurst, Corned Beef, Fish Fry, etc, what better way to spend time with neighbors.

Seriously, did he forget Truckerroo? A great new event was added to the Cheverly Calendar when Rachel Dabney Rice and her Food Truck Committee brought an array of food trucks and entertainment to the Cheverly Pool Parking Lot.

The Cheverly Recreation Council once again sponsored Flea Markets, Halloween Parties, Easter Egg Hunts and Santa's Workshop.

Doug Alexander continues the march to Zero Waste in Cheverly by distributing Composting Bins. These bins have diverted approximate 6 tons of trash annually from the waste stream.

The Boys and Girls Club (and all those wonderful parents) provide our children the opportunity to play Basketball, Baseball, Tee-Ball and Soccer.

The Cheverly Soccer Club provides opportunities for children to play indoor soccer and of course they bring those charming Brits here every summer to host Soccer Camps.

Weekday Nursery once again brought us the Noisiest Day of the Year: Truck Touch.

Of course the American Legion continues to offer social events throughout the year to ALL residents whether you belong to the Legion or not.

Electronic messages connect neighbors to each other on our many local listserves, like the CPRCNews, Cheverly Exchange and Chevlist. Want to find a service, electrician, a pet or a yard sale? Join a listserve.

Progressive Cheverly continued to keep the community informed about topics like development, elections, the Affordable Care Act, etc. Progressive Cheverly has also been an active partner in the fight against Environmental Injustice, Zoning Issues, the Walmart Expansion as well as many other issues.

Lastly, I'd like to recommend a new blog that started this year: ICHOOSECHEVERLY. This blog does a wonderful job of shining a positive spotlight on our town, citizens and events. Give it a try.

Message from the Chief Buddy Robshaw
(policechief@cheverly-md.gov)

HAPPY HOLIDAYS! Members of the Cheverly Police Department would like to wish all residents and friends a happy holiday season and a safe New Year!

HOW CAN WE REDUCE THE CRIME RATE IN THE TOWN OF CHEVERLY BY MORE THAN 50%? This is not a rhetorical question nor is it one that requires the moon and stars to be aligned in a certain fashion. The simple truth is that we could reduce the crime rate in Cheverly by more than 50% if we employ these three simple steps together:

1. Park your vehicle in a lighted area! Whether the light is derived from a street light or the light on your front porch, there is empirical evidence that the presence of light in an otherwise darkened street reduces crime.
2. Lock your car door! In the vast majority of thefts from auto, far and away the #1 crime in Cheverly, force is not used to gain entry to a vehicle and the most commonly stolen items are U.S. currency coin, CDs, articles of clothing, and cell telephones.
3. Keep valuables out of plain sight in your vehicle! When force is used to gain entry to a vehicle, it is usually because an item of value (GPS devices, cameras, Christmas presents, car keys, etc.) was in plain view which, in the thief's mind, justified breaking glass or creating a noisy entry. If your valuables must be stored in your vehicle, lock them in the glove box or trunk.

TO RECEIVE A TAX BREAK FOR 2014, YOU MUST DONATE YOUR VEHICLE BY 12-31-14: Your vehicle donations are critical to the ability of the Police Depart. to maintain its high level of equipment and its access to superior training for the coming year. The advantage of donating your vehicle to the Town, aside from the tax benefit, is that you actually can see your donation dollars at work.

WINTER SNOW REMOVAL REQUIRMENT: I wanted to take this opportunity to remind residents that snow lying on sidewalks in front of their residents or rental properties must be cleaned off by the owner/occupant within 12 hours after the snow has ceased to fall, or if falling at night, within 12 hours after sunrise the next day. Snow cannot be deposited on public streets or sidewalks. In addition, owners/occupants are also required to apply the appropriate material (i.e., sand or similar compound) to ice covered sidewalks within 6 hours of when such ice has formed.

Failure to adhere to such requirements will result in the issuance of a municipal infraction with a fine of \$50 for the first violation and a \$100 fine for each repeated offense. Every day that a violation continues shall be deemed a separate offense. For more information, see Town Code Section 18-4.1.

C-PACT/CHEVERLY WATCH RESIDENT RADIO PROGRAM MEETING – The next joint meeting of C-PACT (Cheverly - Police and Citizens Together), Cheverly's Neighborhood Watch Organization, and the Cheverly Watch Resident Radio Program will be held on Wed, January 7, 2015, at 7:00 PM in the Police Conference Room. We will be discussing crime in 2014 and what the police and the community can do to reduce the crime rate even further in 2015.

TELEPHONE NUMBERS –

CHEVERLY MUNICIPAL ELECTION
MONDAY May 4, 2015 (7am—8pm)
ALL SIX COUNCIL SEATS WILL BE ELECTED

Candidates for Town Council must be:

- ⇒ 21 years of age on or before the date of election
- ⇒ A citizen of the United States
- ⇒ A registered voter of Cheverly
- ⇒ A resident of Cheverly for not less than 6 months
- ⇒ A resident of the ward from which they are elected (at least 45 days before the date of the election)

FILING INSTRUCTIONS FOR CANDIDATES: Filing forms may be obtained on line at http://www.cheverly-md.gov/Pages/CheverlyMD_Clerk/election or at the Town Office during normal business hours (Monday-Friday, 9am-5pm) . Call 301-773-8360 for more information. Completed forms must be returned to the Town Office **no later than 5:00PM. Friday, March 20, 2015**

NOTE: The State of Maryland is requiring a new financial disclosure form that **MUST** be completed by all candidates in order for their petition for candidacy can be considered. The form can be downloaded from the Town's website or picked-up from the Town Clerk during normal business hours.

NOTE: Pictures & Profiles of Candidates are run in the April Newsletter. They should be submitted with the nominating petition or by the newsletter deadline (**March 20**).

- ⇒ **Candidate Profiles must be brief** (no longer than 350 words). Profiles will appear as written. They will not be edited or corrected; however, if the profile is too long, staff will have to shorten it by cutting it off at the paragraph closest to the limit.
- ⇒ **Picture should be a closeup** - will be cropped to about 2"x2".

Please submit the profile and the picture on a disk or email separate files to townclerk@cheverly-md.gov. **Please attach them as separate files; the profile as a WORD document and the picture as a JPEG file.** Contact the Town Clerk at 301-773-8360 if you need further information.

FOR MORE INFORMATION: http://cheverly-md.gov/Pages/CheverlyMD_Clerk/election

Winter Collaboration and Regulations

Winter is upon us and public works is ready to keep the Town's streets clear and safe. But in order to keep the Town's roads clear from snow and/or ice we need your collaboration. Without your participation, the department's snow/ice removal preparation and response is less effective. These snow removing vehicles

will not be able to timely and efficiently remove the snow/ice from the Town's streets. About ten feet is the average width of a municipal snow plow. That means, in some streets, the clearance between the snow plows and the parked vehicles is often a matter of a few inches and often impacted by slippery conditions.

Once again we are asking each of you that as soon as it begins to snow and/or inclement weather is announced; whenever possible, park your vehicle on your driveway or garage. Remove all vehicles from the road, if at all possible, and if you have an extra space or not using yours at all, perhaps let your neighbor park on the available off street space. The idea is to take as many cars from the roadway as possible. Actually, during these situations the Town does allow residents to park on unpaved surfaces until such time as street parking is available. This is a good idea if you do not have an improved parking area and you need to find warmer weather until things improve around here. So if you are going on a winter vacation consider leaving your keys with someone you trust and the available parking regulations.

On the other hand if none of the previous conditions apply then remember the Town's regulations as stated in the Town's code. For your convenience the Town's code is found online at Cheverly-md.gov. The following chapters apply

Sec. 18-4.1. - Snow and ice removal from sidewalks.

Sec. 27-4. - Procedure for citation, attachment and impoundment

(2) Impedes the clearing of snow or other objects or materials from the streets;

Sec. 27-10. - Closing streets during emergencies and snow parking restrictions.

(b) A snow emergency shall exist whenever snow has accumulated on the streets of the town to a depth of one (1) inch or more.

(c) During a snow emergency no person shall cause or allow any vehicle or automobile to be left or parked on the streets as follows:

(1) On the cul-de-sac portion of any street;

(2) On any courts;

(3) On the odd numbered side of 59th avenue and that portion of Inwood Street between Cheverly Avenue and Belleview Avenue;

(4) On the even numbered side of all other streets; and

(5) On any street except at the curb pursuant to this section.

(d) The snow emergency parking restrictions outlined above do not:

(1) Override existing no-parking zones;

(2) Authorize parking where it is prohibited;

(3) Apply to those streets or parts of streets where enforcement of this snow emergency ordinance would disallow all parking on the particular street or portion of street because of a no-parking zone on the side of the street where a car should park pursuant to subsection(c) above, and

(4) Apply to those streets or parts of streets with any barrier or strip dividing the lanes of traffic.

(e) The parking provisions during a snow emergency shall be effective without any notification and shall remain in effect until the street is plowed; provided, however, that when snow shall accumulate to a depth of one (1) inch or more after 11:00 p.m., The parking provisions in a snow emergency shall not be effective until 7:00 a.m. the day following and shall remain in effect until the street is plowed.

(Ord. No. 20-77, 11-10-77; Ord. No. O-1-99, 2-25-99; Ord. No. O-04-01, 5-10-01)

One more thing, if you must park on a Town street please park your vehicle at least twenty five feet from the nearest intersection.

With ideal conditions of personnel and equipment it is the department's goal to remove less than six inches of snow from the Town's streets within less than twelve hours after the snow fall; to maintain two way traffic on the major roads at all times and to ensure at least one lane to traffic is available on all other streets. Our major roads are Cheverly Avenue, Forest Road, Crest Avenue, Tremont Avenue, Lockwood Road, Belleview Avenue, from Lockwood to Cheverly Avenue and from Euclid Street to Tuxedo, Parkway, 63rd Avenue, 62nd alley, 64th Avenue, State Street, and Valley way.

The same public works personnel that may have spent the night removing snow is now going to remove your recyclables/refuse in the morning. If your refuse or recyclables are collected from the rear of the property or the front porch, please clear a path to the container or bring the same one to the curb. The Town's snow manual indicates that whenever the snow is over five inches all containers must be at the curb in order for them to be collected. This guide is precipitated by the fact that if the path to the container is covered with snow or ice the town employee might be injured while attempting to service you.

Like all seasons, winter offers its beauty and its challenges. Like all the other seasons, your continued collaboration is greatly appreciated.

SAFETY REMINDER:

We ask residents to remember that your neighbors who walk to Metro, or children walking to school, and the hardworking Mail Carriers are exposed to dangerous conditions when sidewalks are not cleared in a timely manner. Failure to comply with Town Code could result in fines.

TRASH COLLECTION SCHEDULE

MON Town Wide **YARD WASTE** (IN PAPER BAGS ONLY)

MON East side **Regular Garbage Pickup only**

TUE West side **Regular Garbage Pickup only**

WED Town wide **RECYCLING** (no plastic bags)

THU East side **Garbage & SPECIAL TRASH** at curb

FRI West side **Garbage & SPECIAL TRASH** at curb

Residents should place trash at the curb after 7:00PM the day before your pickup. Trash must be placed in cans with tight fitting lids to ward off rodents.

BAMBOO is picked up with Thursday/Friday Special Trash. Tied up and bundled no longer than 4'

ELECTRONICS are picked up on Wednesday with Recycling. TV's any size, computers (remove hard drive), monitors, keyboards, etc. Place these items next to your recycle bucket.

APPLIANCES - Washers, dryers, stoves, dishwashers, refrigerators/freezers (remove doors) microwaves (any size), A/C units (any size) - \$20 for removal, contact Public Works at 301-773-2666

HOLIDAYS? Public Works crews **DO NOT** work on holidays. Collections on holidays are **CANCELLED**

Need help with YARD WORK?

To assist our elderly, and other residents who need help with yard work, Cheverly maintains this list of teenagers who are interested in being hired for mowing lawns, raking leaves, shoveling snow, etc.

Teenagers can call the Town Office 301-773-8360 if they wish to add their names to this list

Dorian Dixon	301-322-1075
Malik & Tyreq McAdoo	301-832-1576
Andrew Priest	301-772-6028

WINTER WEATHER REMINDERS

TOWN CODE - Sec. 27-10—Parking

A snow emergency shall exist whenever snow has accumulated on the streets to a depth of one (1) inch or more. The provisions of this subsection shall be effective without any notification and shall remain in effect until the street is plowed; provided, however, that when snow shall accumulate to a depth of one inch or more after 11:00PM, the provisions of this subsection shall not be effective until 7:00AM the day following and shall remain in effect until the street is plowed.

PARKING RESTRICTIONS: During a snow emergency no person shall park any vehicle as follows:

- On the cul-de-sac portion of any street,
- On any courts,
- On the even-numbered side of all streets,
- **(exception)** On the odd-numbered side of 59th Avenue, and one block of Inwood Street between Cheverly Avenue & Bellevue Avenue.

NOTE: The snow emergency parking restrictions do not override existing no-parking zones or apply to streets where enforcement would disallow all parking because of a no-parking zone, or to streets with any barrier or strip dividing lanes of traffic.

PRIORITIES: The snow removal operations work under the following priorities: 1.) Cheverly Avenue 2.) principal connecting streets: Forest Road, Crest Avenue, Valleyway, Greenleaf Road, 62nd Avenue, State Street, Schuster Drive; 3.) all other streets.

TOWN CODE Sec. 18-4.1—SIDEWALKS

Whenever snow accumulates to a depth of one inch or more, it is the duty of each occupant to clear the snow from the sidewalk adjacent to that property, within 12 hours after the snow ceases, (unless at night, in which case it shall be removed within 12 hours after sunrise). Snow and ice removed from sidewalks shall NOT be deposited on streets or other sidewalks. When ice forms on sidewalks, occupant shall place sand, ashes or other such material on sidewalks within 6 hours, (unless at night, in which case it can be spread by noon of the next day). Icy spots on public property can be reported to Public Works at **301-773-2666**.

Thank you to all those residents who share so much of their time and energy to help make Cheverly a caring, active community and "Great Place to Call Home!" We wish you, and those you love Peace and Joy throughout 2015

Cheverly Green Infrastructure Committee

January Meeting, Mon, Jan.5, 2015 7:30 - 9:00 p.m.
Large Conference Room, Cheverly Community Cntr
6401 Forest Road.

Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research.

Here's a sample of the activities being planned for the new year.

- Help rid our Cheverly Nature Park of invasive plants. On January 19th our weed warriors will continue their work. All are welcome to join. Contact Matt Salo (mtsalo1@gmail.com) for further information. Don't know where the Nature Park is? The Nature Park path begins at the top of Tremont. Just go up the hill until the road ends.
- On February 14th and 15th, join our local naturalists to spot birds in Cheverly's natural hubs. This event is part of the Great Backyard Bird Count organized by the Cornell Ornithology Lab.
- Mapping Our Green Cheverly. Many of our Cheverly citizens have been adopting green practices to help our environment. Now you can help map our successes. Show what you are doing to make your Cheverly property environmentally friendly on the "interactive" map we will unveil on Cheverly Day. Get a start by taking an online survey beginning in January.
- The popular Rain Barrel Workshop will be back in late Spring, again led by our own Mayor. Assemble a rain barrel and learn how to install, use, and maintain it to help keep rainwater on site and reduce erosion and pollution.

All are welcome to join in the activities of the committee! Contact sheila.salo@gmail.com to request a copy of the agenda. For more information on the Cheverly Green Plan and greening activities visit: www.greencheverly.org.

Save the date of Friday, Feb 6, 2015 for a wonderful time! Tickets go on sale on Monday, January 5 for the **3rd Annual Sweetheart Charity Ball** to help human trafficking survivors. Round up a group of your family and friends and reserve a table for 10, or come alone or as a couple for a fun time!

The Sweetheart Ball is a potluck dinner/dance (cocktail attire) featuring the "big band" music of Dino (Efantis) and Friends--Swing, samba, waltz and more! The Ball will be held Friday, Feb 6 from 7 pm to midnight at St Ambrose Church Fannon Hall. Seats are limited to 250, and we've come within five tickets of selling out each of the past two years, so reserve your tickets now!

You'll have the opportunity to purchase Jewel-Girls jewelry for your Valentine made by the FAIR Girls.

For a flyer that can be emailed or used on Facebook and other social media, or for reservations (starting Jan 5), email Natalie Pappas at sweetheartcharityball@gmail.com Tickets are \$20 per person/\$200 table of 10. Eighty-five percent of the ticket price is considered tax-deductible.

CPRC New Parent/Infant Caregiver Meet-Up on Tuesday, January 20th, 10:30am-11:45am

Have an infant who's not quite ready for playgroup? Come to Shortcake Bakery (4700 Rhode Island Avenue in Hyattsville) to support a local business and to get to know other new parents and caregivers!

Find out more of the goings of various events by visiting our website at www.cheverlyparent.org; liking us on FaceBook; and/or, signing up for our list serve. Don't forget to make the switch to the new gmail account.

Community Bulletin Board

Boy Scout Troop #257 had a very busy holiday season. Scouting for Food was the kickoff in November. The Boy Scouts and Cub Scouts collected 2200 lbs of food enabling more than 30 families in our community to be able to have a Thanksgiving. The Boy Scouts then had record breaking fundraising sales at the November and December community markets. The troop has already planned several fun events for the new year such as a camping trip in January, nature hikes and a trip to a local raceway. If you are interested in joining Boy Scouts make it a new year's resolution and contact Scoutmaster Jeffrey Felten-Green at 301-807-4137 or come to a meeting at the American Legion on Wednesdays from 6:30 - 7:30 pm.

THANK YOU CHEVERLY for supporting local Boy Scout Troop #257. We hope you had a wonderful holiday season and wish you a very happy, healthy New Year.

CWM Civic Association

CWM is a collective group of women, their families, and supporters in Cheverly, Maryland and the surrounding communities, striving to improve conditions for today's working mothers fostering community connections, facilitating career networking and growth, and sharing ideas on children and family, career, and achieving a healthy work-life balance.

For more information on CWM see our webpage: <https://sites.google.com/site/cwmcivicassociation/> Cheverly Brain Awareness Day, March 2015.

CWM will be organizing a brain awareness day to coincide with National Brain Awareness Week (March 16-22). We are looking for local doctors, scientists, and eager parents to help organize this event. If you're interested in helping out, please contact our chair and local neuroscientist, Dr. Casandra Cartagena at borikuasalsera@yahoo.com.

Cheverly Cub Scout Pack celebrated the season by learning about differing holiday traditions from around the world. Scouts also learned Archery, Rock Climbing and Jousting!

Mrs. Lisa "Popcorn Kernel" conducted a successful popcorn drive (thank you!), however we were not able to sell our First Aid Kits at the holiday Market. Please support Cheverly youth by picking up one of these kits, discounted at only \$9 apiece. We also have more 'I heart Cheverly' stickers (\$3). They both make great presents!

Contact Cubmaster Dave at davidja2@dni.gov or call 202 744-7100 and we will deliver!

Next month scouts will hold their derby, building and racing their pinewood cars.

Community Bulletin Board

Cheverly American Legion Family Post 108

The Cheverly American Legion Family is a vibrant and growing group of local men and women who share an interest in supporting our veterans, military service members & their families, youth, and our community.

Cheverly American Legion 80th Anniversary Gala

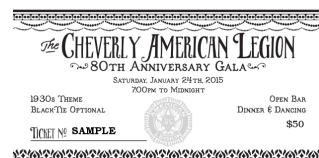

The Cheverly American Legion was established in 1935 and its Post home has been a Prince George's Cnty landmark since the building's completion in 1941. To erect our great post, our founding World War I veteran members embarked on a great fundraising campaign. That campaign included hosting a number of dances.

So, in 2015, with acknowledgement of and pride in our 80 years of community and accomplishments in serving veterans, we follow in their footsteps. We will commemorate our rich history at the 80th Anniversary Gala and **you are invited to join us.**

Saturday, January 24, 2015—7:00 p.m. to Midnight

Cheverly American Legion Hall

\$50, Dinner and Dancing/Live Music, Open Bar

As our community did in 1935, we ask you to demonstrate your support for the Cheverly American Legion and its mission through a contribution to our 80th Anniversary Campaign. Support for this campaign is critical to ensuring the continued existence and rejuvenation of our Cheverly American Legion.

Contact Nancy Clay (301) 395-6129 or clayc02@yahoo.com for tickets or to make a donation. Act quickly, tickets are limited!

Ongoing Legion Family Events

Friday Night Queen of Hearts Game

Fridays, 7:30 PM, American Legion Dugout - Try your luck at finding the Queen of Hearts on the board of 54 cards. One drawing each week until the Queen of Hearts is found. Raffle tickets for sale in the Dugout daily, 4:00 PM – 10:00PM, up to the drawing. The more that play, the more exciting the drawing.

Third Friday Ladies' Night:

Friday, January 15, 7:30 – 10:00 PM, American Legion Dugout

Grab a friend and come be a guest of the American Legion. All are welcome!

Cheverly American Legion Post 108

Membership: The Legion is open to men and women who are serving or have served at least one day of active duty in the Armed Forces of the United States during time of war. Find eligibility dates, application form and documentation requirements on the Cheverly American Legion website: <http://CheverlyAmericanLegion.org>. Contact Steven Brennan (703) 593-8820 or Nancy Clay (301) 395-6129 for more information.

Cheverly American Legion Auxiliary

Membership: The ALA is open to women veterans and women service members, and to many woman whose family member is/was a veteran or service member. Whatever talents and time you have to give, we welcome your participation. If you are interested in joining us or learning about the American Legion Auxiliary, please contact Aimee Olivo, (202)-210-0380, or email us at cheverlyauxiliary@gmail.com.

Sons of the American Legion (SAL) Membership: The SAL is made up of men and of all ages whose parents or grandparents served in the United States military and are eligible for membership in The American Legion. The Sons of the American Legion will hold their monthly meeting on Monday, January 12, at 7:30 at Post 108. All who would like to know more about the Sons are welcome to attend. For more information, please contact Seth Zirkle at [301-773-4850](tel:301-773-4850), or email: sethbzirkke@gmail.com.

Community Bulletin Board

The Cheverly Village Planning Committee met on December 1 to lay out our next steps for 2015 as we continue to plan a “village” that will help seniors continue to call Cheverly home as long as possible. A major step will be to conduct a survey during the first half of the year. It will gather the perspectives of Cheverly residents of all ages to help us identify ways the community can work together to create a village.

An initial picture of the challenges that residents face as we age came from the sixty-one participants in the community discussion we held at the Community Center on October 26. These included the need for home modifications to allow mobility inside and out; transportation; help with household maintenance, security, and computers; protection from scams and disreputable contractors; and the need for information about public services.

The participants, more than half of whom had lived in Cheverly for over 20 years and almost all of whom said they wanted to live here well into their senior years, also discussed the need for alternative housing in Cheverly for seniors who can no longer manage the stairs at home. Everyone shared ideas about how a Cheverly Village might address these challenges and support seniors in remaining active, contributing members of our community.

1. “Why should people who have made Cheverly their home, and have contributed so much to it, have to leave before they want to leave?”
2. “How can the Cheverly community provide the support and services people need as they grow older?”

Participants also identified concerns such as how to ensure that Cheverly Village services are of high quality, how residents with declining retirement incomes might afford to pay for the services, how a village might influence the availability of accessible shopping and housing options, and how to publicize the village in the community.

What’s exciting about a Cheverly Village? Participants expressed it in these terms: It’s a multigenerational project. It will extend access to what people love and enjoy. It involves the four C’s: Communication, Coordination, Cooperation and Collaboration. It’s already exciting to hear Cheverly seniors talk about their needs and wants. A Cheverly Village embodies the value of a community-oriented life.

Creating a fully operational village requires the diverse talents and contributions of many people and may take a few years. If you would like to participate in the planning, write us at ChevVillage@gmail.com or call Laila Riaz (202-258-6167) or Diane La Voy (240-599-6346).

Cheverly Recreation Council Zumba have been cancelled due to the relocation of the instructor.

Community Bulletin Board

Indoor Soccer Teams Forming Now!

Are your kids *already* tired of Being in the house due to cold weather? Cheverly Soccer is now forming indoor soccer teams for ages 7-12. Practice will begin in January, and play begins in February. If your child is interested playing or even just *maybe* interested in playing, please send an email to David Konieczko at dlkonieczko@yahoo.com. With indoor teams forming, Cheverly Soccer needs to identify how many kids, and at what ages, will be participating.

Mark Your Calendars: Cheverly's British Soccer Camp - Planning ahead for summer camps? Sponsored by the Cheverly Soccer Club, the Challenger British Soccer Camp is scheduled for June 15-19, 2015. The camp is for kids from the ages of 3 to 16. Please see the links below for more details and registration information. If you have questions, please contact David Konieczko at dlkonieczko@yahoo.com. For general information : <http://challenger.mycustomevent.com>. To register for camp: <http://challenger.mycustomevent.com/ShoppingCart.aspx?com=detailview&imp=f&iid=54255&&returncom=productlist>

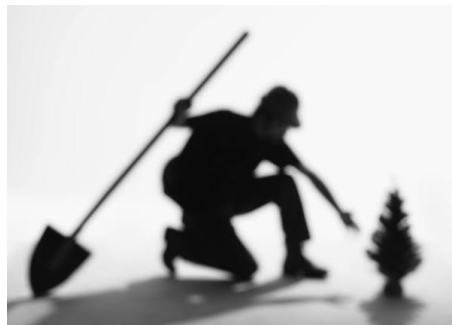

RECREATION COUNCIL - Come on down to the Recreation Council's next meeting on Tuesday, Jan 27 at 7 PM in the conference room at the Community Center. Our meetings are open to everyone so feel free to attend one or all of them.

The Woman's Club

The members of the Woman's Club wish everyone a Happy New Year filled with love, peace and joy! Our plans for 2015 are moving along and we invite you to join us in continuing to spread seeds of peace throughout our town and the world. Read future articles in this space for meeting and activity information.

Cheverly Garden Club - We just celebrated a beautiful Brunch at Fratelli's which honored our 60th Anniversary. This is after the Town honored us with a Proclamation and our own special day on the 19th. We look forward to the New Year. Look for us to offer a Field Trip to Southern Maryland, a Plant Sale and meetings with Great Speakers. We hesitate to bring in a speaker for January but we have a meeting planned about a man named Pearl..Pearl Frager to be exact. This is a free movie for all to enjoy on January 19, with popcorn and a drink. Please be our guest on the 4th floor, Cheverly UMC.

We hope to announce the winner of the Grant. If the plants sell in May....we will keep giving to our town. Anyone in Cheverly is welcomed to be a member.

Community Bulletin Board

NEWS FROM SAINT AMBROSE PARISH AND SCHOOL

CATHOLIC SCHOOLS WEEK -- OPEN HOUSE and TOURS

We invite the entire community to join us for a celebration of Catholic Schools Week - the last week of January. St. Ambrose School will host an open house with tours for prospective families from 11-1PM on Sunday January 25th. A current student will lead you from classroom to classroom where you can meet the teachers and ask any questions you have about St. Ambrose School.

CASINO NIGHT - Jan 31st

You are invited to the party of the year -- Casino Night at St. Ambrose School! This year's theme is the 80's! The evening includes free coat check, buffet, door prizes, tickets must be purchased for the "cash bar", silent auction items available and prizes for the top 30 winners! Tickets are \$45 per person and must be purchased in advance through student or at the school office. The event begins at 7:00 pm and ends at midnight on January 31, 2015. Grab your friends, your fluorescent clothes and your checkbook and come support St. Ambrose school!

Want to know more about St. Ambrose?

Sign up to receive the St. Ambrose Weekly News and Bulletin by email each week! Simply send an email to AmbroseEmailList@gmail.com with your name and visit us as sacheverly.org!

SEE YOU THE LAST SATURDAY OF THE MONTH FOR **FLBC's WORK PARTY!** Join your friendly neighborhood environmental group, Friends of Lower Beaverdam Creek, for our monthly Work Party on Saturday, January 31 between 9 am and noon. We'll be spreading wood chips on the trail, picking up trash, and removing invasive plants such as wisteria. We'll meet at the intersection of Parkway and Arbor Street (green gate) entrance to the trail. Driving directions: Starting at the Cheverly 7-11 store, go one block north down Cheverly Ave. Make a right onto Arbor St. and go two blocks until it dead-ends.

On your right is the entrance to the trail. Tools, gloves, snacks, and water will be provided. As always, volunteers of all ages (including Boy and Girl Scouts) are welcome, and school community service hours are available.

Hope to see you there! For more information, contact Joani Horchler at 301-802-7445 (cell) or horecpool97@aol.com.

Join **Progressive Cheverly** as we start off 2015 on Thursday, January 8, meeting with a showing of the documentary **Inequality for All**, narrated by economist and former Secretary of Labor Robert Reich. The film explores the widening income inequality in America and its effects on our economic health and on our democracy. Short discussion to follow. At the Judith Hoyer Center, 2300 Belview Ave, 7:00 p.m."

LEAF COLLECTION PROCEDURES

Vacuuming Leaves: Every street in Cheverly is scheduled for at least 2 vacuuming sweeps.

Rake leaves **between** the curb and sidewalk - not on the street or sidewalk.

- Keep leaves free of twigs, branches, metal, concrete and other debris that can jam or damage the equipment.
- Please do not park cars on the street on the assigned collection day
- Be considerate of your neighbors. **Only rake to curb when your pick up day is imminent.** Raking too early, allows the leaves to blow into your neighbors yard.

Bag Leaves: Yard waste is collected on **MONDAYS**. Put bags at the curb on Sunday evening. Use **PAPER BAGS** or **place in trash cans**. Yard waste includes leaves, grass, brush, twigs, etc. Do not put any dirt, rocks, or other trash/debris in these bags. If you have any questions, please call Public Works at 301-773-2666.
